The screenshot displays the iCash website's landing page and a loan customization overlay. The landing page features the iCash logo, navigation links (Products, Why iCash, Resources, Help), and a 'Log in' button with a 'Get a loan' link. The main headline reads 'Fastest & Fairest e-Transfer Online Short Term Loans in Canada'. Below this, a sub-headline states 'Take care of whatever expenses life throws at you. Get approved instantly for up to \$1,500, 24/7, from across Canada. E-Transfers are sent within minutes of signing up. Apply online or download our app to get started.' A prominent blue button says '24/7 service - Apply now'. At the bottom of the landing page, there are app store download buttons for the App Store and Google Play, along with ratings: 13.8K ratings with a 4.8 out of 5 star rating, and 22.2K ratings with a 4.7 out of 5 star rating. A small note at the bottom left says 'Get up to 20% cashback* for paying on time.' The overlay window is titled 'Customize your instant loan' and contains the following fields: 'Select the amount you wish to borrow' with a range from \$100 to \$1,500 and a selected value of \$750; 'Select province of residence' with a dropdown menu; and 'Number of payments' with buttons for 1, 2, and 3. A blue 'Apply now' button is at the bottom of the overlay. The background of the overlay features a rabbit, a clock, and various Canadian banknotes.
